

MX3D

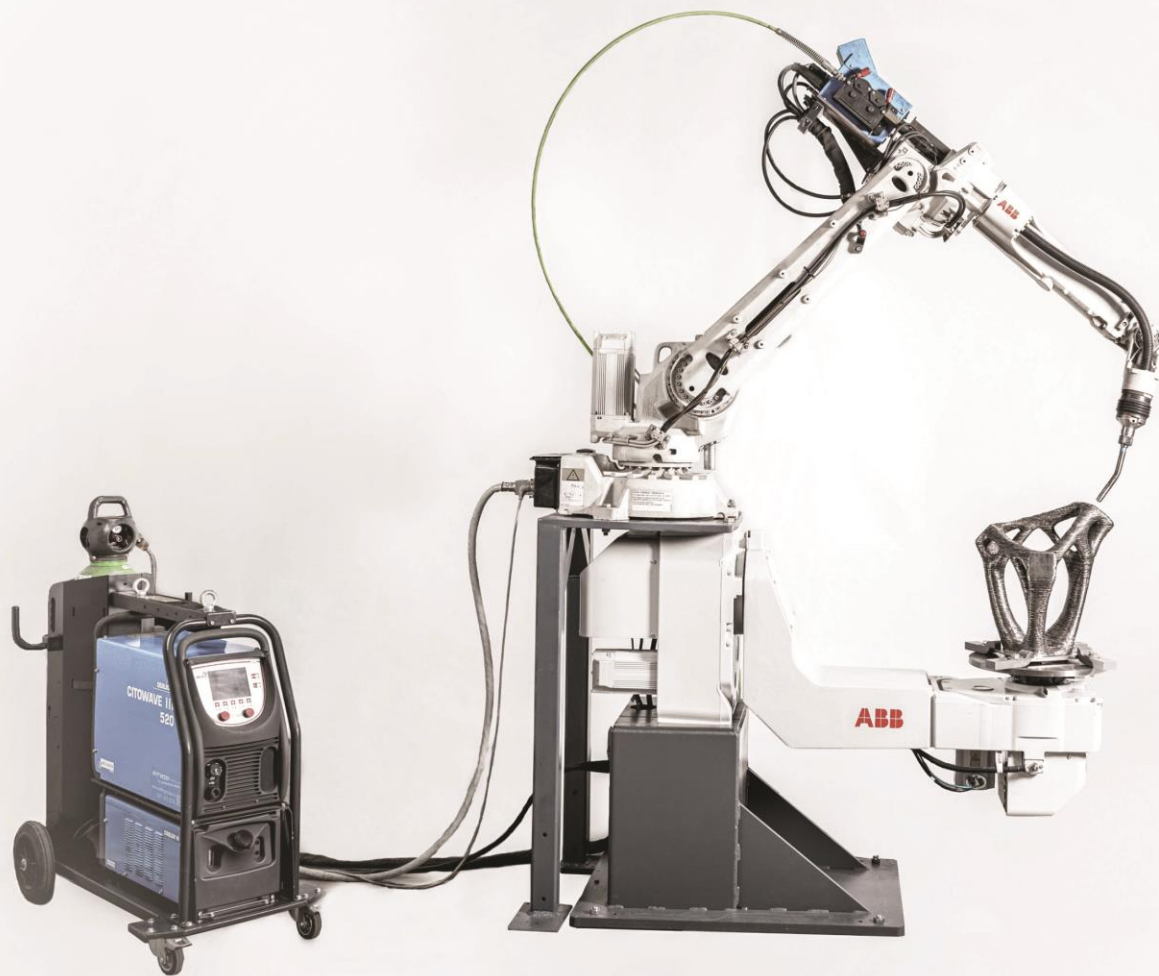

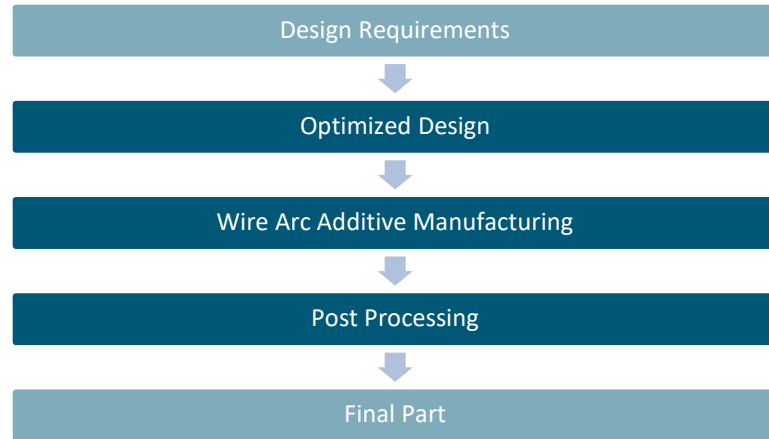

# MX3D

MX3D

## Reduced Lead Time

Digital Manufacturing  
Near-net-shape printing  
On-site manufacturing  
Very high deposition rate

## Agile Production

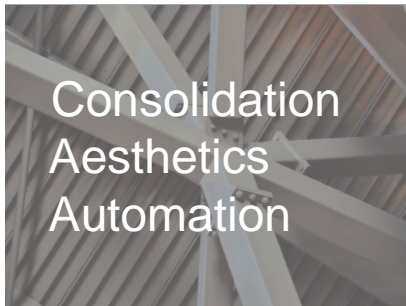

Geometric freedom  
Customization  
Digital foundry  
Optimized performance

## Reduction in Total Cost of Manufacturing

Off-the-shelf equipment  
Highly automated process  
Reduced material waste  
Digital stock

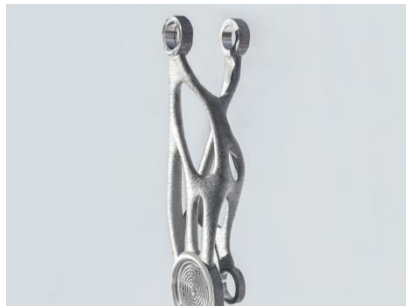

Structural Node

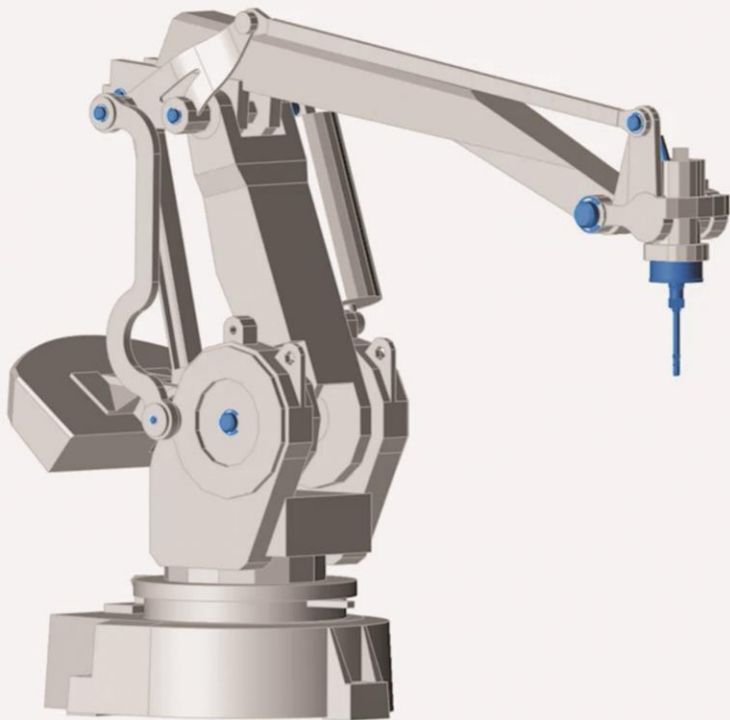

Naval Propeller

Machine Component

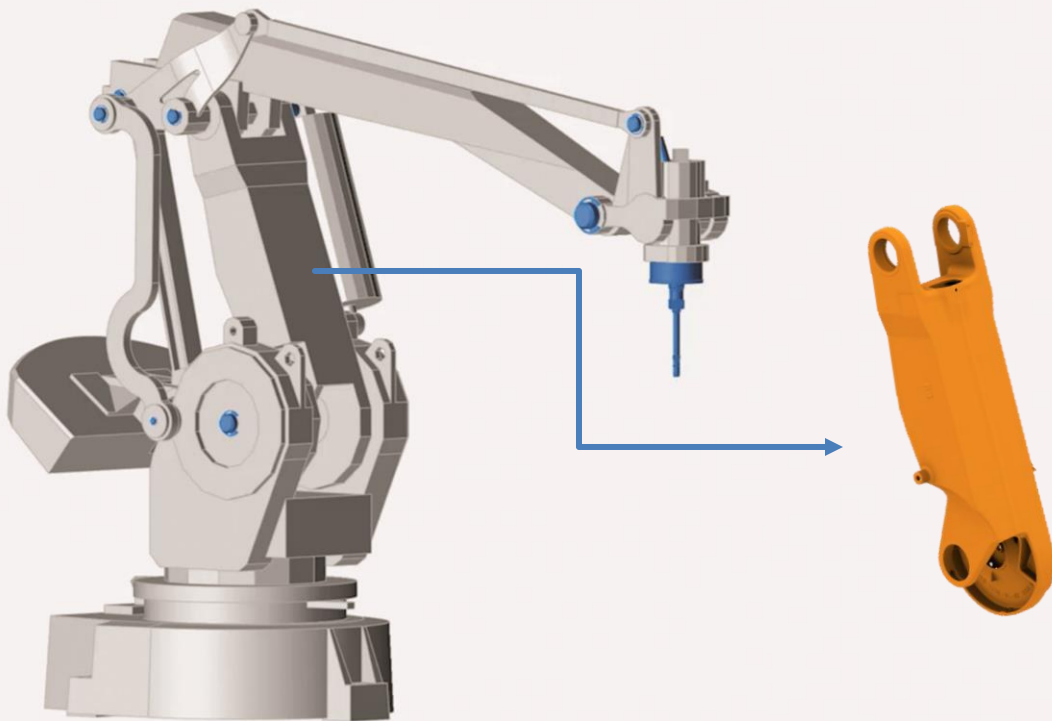

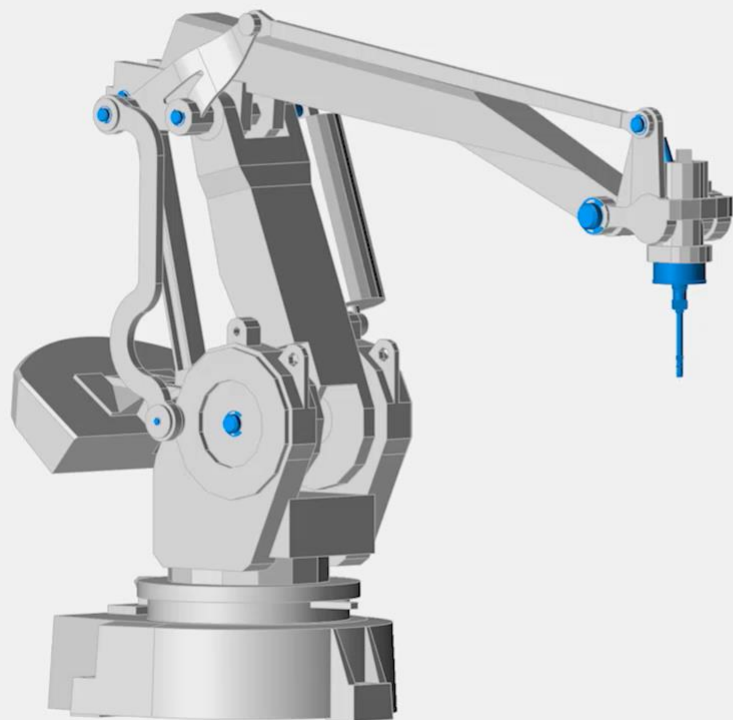

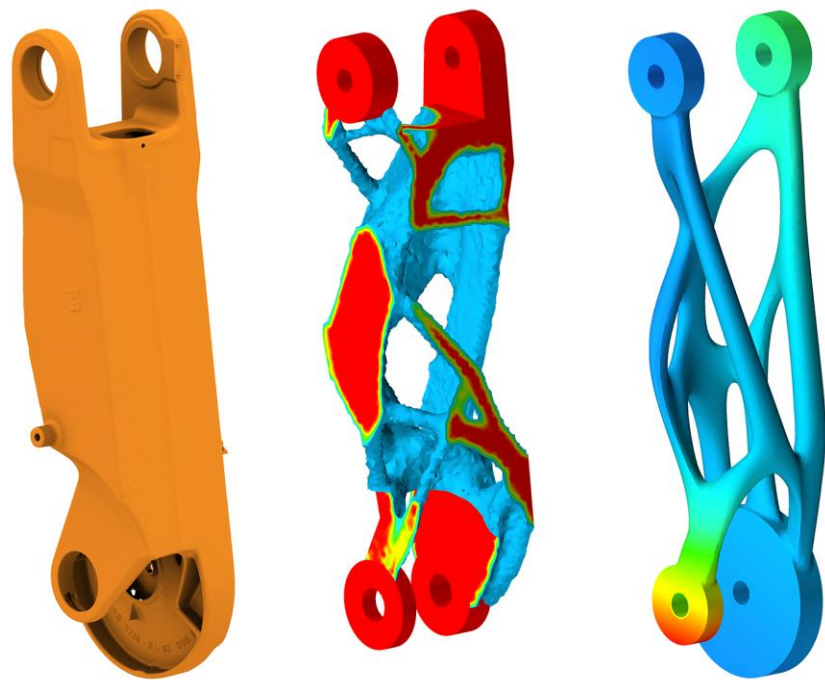

**ABB**

 **ALTAIR**

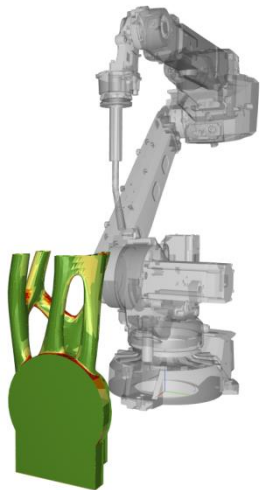

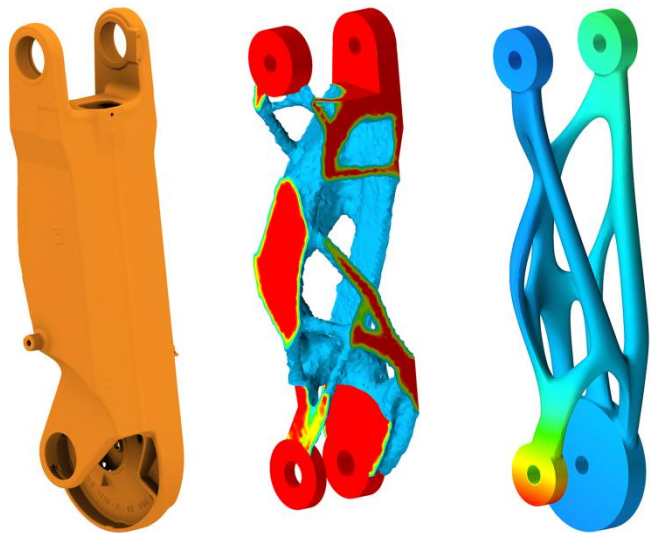

**INSTALLED, READY TO OPERATE**
